

MAKE YOUR OWN TRICK-OR-TREAT BAG

MATERIALS

- 1 brown paper grocery bag
- Black construction or craft paper
- Glue
- Glow-in-the-dark duct tape in Halloween colors
- White acrylic glow-in-the-dark paint
- Googly eyes
- Halloween stickers, ribbon, trim, or fabric

INSTRUCTIONS

Glue or staple black construction paper to both sides of the grocery bag (or substitute a black gift bag). Reinforce the handles of the bag by wrapping them in duct tape. Use duct tape to write your child's name at the top of the bag.

Cover your child's hand in white acrylic paint and have them make upside down handprints on both sides of the bag to create "ghosts." Add googly eyes or use a black marker to make eyes for each ghost.

Decorate the bottom edge of the bag with Halloween stickers, trim, ribbon, or bits of fabric.
